

March 11, 2020

The Friends of The Frelinghuysen Arboretum have made the difficult decision to postpone our scheduled events for the remainder of March as a precautionary measure in consideration of the health of our attendees and the staff at the Haggerty Education Center.

This includes the March 14<sup>th</sup> Macramé Workshop, the March 22<sup>nd</sup> Cooking Class with Cynthia, the March 28<sup>th</sup> Great Speaker Series lecture with Paul Meyer, and the Plant Preview talk scheduled for March 29<sup>th</sup>. Our Program Committee is working to reschedule the programs that we can but it will take a bit of time.

If you have already registered for any of these classes, there is no need to request a refund. The Friends will process a refund through PayPal or by check, depending on how your original payment was made.

We continue to monitor the spread of COVID-19 through New Jersey daily and will post updates regarding future programming on a regular basis on our website <https://www.arboretumfriends.org/>.
